

## PMA | IPRIME Partners with ISACo to Serve Illinois Counties

We would like to take this opportunity to provide our colleagues with some *exciting* news regarding a new partnership between [PMA](#) and [ISACo](#)!

On June 13, 2022, PMA Financial Network, LLC and PMA Securities, LLC (PMA) entered a partnership with the Illinois State Association of Counties (ISACo) to serve counties with a complete line of financial management and investment services. **The opportunity we envisioned almost a year ago is now a reality** – enhancing service, performance and accountability for Illinois counties.

Among the many benefits and opportunities this partnership brings to Illinois counties are:

- ▶ Investment tools, education and support uniquely designed for counties.
- ▶ IPRIME Investment Shares Class (ICS) Liquid Fund – safety, liquidity and yield for counties.
- ▶ IPRIME ICS Liquid Fund rated AAAM by S & P – the highest rating possible. “Extremely strong capacity to maintain principal stability and to limit exposure to principal losses due to credit risk.”
- ▶ IPRIME was designed, sponsored and governed by a board of local government officials. **Lake County Treasurer, Holly Kim, currently sits on the IPRIME board and represents a voice for Illinois Counties.**
- ▶ ACH direct deposits of state and local revenues accepted in your account with IPRIME.
- ▶ Secure, online transactions and reporting with our Government Portfolio System (GPS).
- ▶ Educational seminars and workshops centered around cash management and investing provided by PMA.
- ▶ PMA Fixed Rate program to provide competitive bid investments.
